

Description

The Convent of Nuestra Señora de los Ángeles de la Hoz is located in the town of Sebúlcor (Segovia, Spain). It is believed to have been founded in 1231 and remained in use until 1835, when it was finally abandoned. Next to one of the old access roads to the convent there is an interesting set of potholes.

3D model made in Reality Capture software using 322 images. Additional processing in Geomagic Wrap, Zbrush, Substance Designer, and Blender.
