

Description

Early Neolithic Stone Houses, Khatm Al Melaha, Kalba, Sharjah

Khatm Al Melaha is a facinating archaeological site with Late Paleolithic to Early Neolithic features including an extensive ridge of rock art, shell middens, and stone houses remains that are featured in this model. The site is located near the Oman Sea on the coast of Sharjah, near the commuity of Kalba. 3D model was made using 1266 drone and terrestrial images in Reality Capture software. Additional processing was completed in Geomagic Wrap, InstantMeshes, Blender, and Substance Designer.
