

Description

Child's gabled roof stecak with inscription. Richly decorated. On one front side there is a figure of man with their arm held aloft. The epitaph on the gable suggests that this is a tombstone of Radoje Vukovic, the son of Vuk Stipanovic, the nephew of good Radoje and voivoda Petar, who erected the monument (+ I God's servant Radoe Vukovic nephew of voivoda Petar). There are also two engraved initials B.B. on the front side of stecak, next to the figure of a man. Other decorative motives on the monument include arcades with pillars and arches and twisted rope.

We want to show our gratitude to Public institution for development of tourism and protection of cultural-historical and natural heritage "Radimlja" Stolac as well as Professor Edin Bujak from the University of Sarajevo.
