

Description

The entire top of this outcrop is covered with motifs. Anthropomorphic figures, horned cattle, and many eroded and indeterminate figures. Still under study.

Al Mudaifi is an archaeological site on a small hill on the north end of the town of Khor Fakkan on the east coast of Sharjah, UAE. It consists of a large number of petroglyphs that span the periods from the Neolithic to the 19th century. GDH ID 12

This project was done as a collaboration between the Sharjah Archaeology Authority and Global Digital Heritage.
