

## Description

The upper right section of this outcrop has a number of poorly preserved petroglyphs on two faces of the rock. The lower left section of this outcrop has the petroglyphs seen in Al Mudaifi Petroglyph 2. Still under study.

Al Mudaifi is an archaeological site on a small hill on the north end of the town of Khor Fakkan on the east coast of Sharjah, UAE. It consists of a large number of petroglyphs that span the periods from the Neolithic to the 19th century. GDH ID 13

This project was done as a collaboration between the Sharjah Archaeology Authority and Global Digital Heritage.
